Re: Application for Camera Sites in Stamford Downtown

Because of the need to prevent damage, destruction, vandalism or undesirable behavior in the Downtown, the DSSD (Stamford Downtown Special Services District) is requesting Surveillance Level 2 for specific downtown locations.

These cameras will be placed to avoid any potential risk of intrusion, any risk of revealing confidential information and avoidance of any sensitive or secured areas (i.e. windows of private property such as a home or offices.)

The locations are as follows:

1. Veteran's Park/Atlantic Street
2. Columbus Park/West Park Place and Main Street
3. Latham Park/Bedford and Forest Street
4. Intersection Atlantic/Broad/Bedford
5. Bedford Annex Parking lot
6. Intersection Atlantic/Bell
7. Greyrock and East Main Street

The DSSD would like the opportunity to fine tune or revise locations based on the specifications as well as consultation with Police Department.

Thank you for your consideration of this request. If you have any questions, please contact John Ruotolo, Vice President of Operations, 203-348-5285.

Sandy Goldstein, President
